Hyderabad**

Annexure: Guidelines for Internship Programme

Introduction:

Fisheries is a flourishing sector in *India* providing employment & sustainable livelihoods to millions of people and thus contributing to food security & economic growth of the country. Government of India realizing the potential of the sector in contribution to national GDP, is emphasising on promotion of fisheries & aquaculture by launching major programmes viz., Prime Minister Matsya Sampada Yojana (PMMSY) with Rs.20050 crores outlay and Fisheries and Aquaculture Infrastructure Development Fund (FIDF) with Rs.7522.48 crores outlay recently.

The National Fisheries Development Board (NFDB) established in 2006 as an autonomous organization under the administrative control of the Department of Fisheries, Ministry of Fisheries, Animal Husbandry & Dairying, Government of India, has a vital role in implementation of the above mentioned central government schemes and also various other Institutional Projects. A wide range of fishery development activities viz., intensive aquaculture in ponds and tanks, culture based capture fisheries in reservoirs, Coastal Aquaculture, Mariculture, Sea Weed cultivation, establishment of infrastructure, fishing harbours and fish landing centres, fishing dressing centres and solar drying of fish, domestic marketing, deep sea fishing and tuna processing, ornamental fisheries, trout culture, artificial reefs technology upgradation, fisheries extension services and capacity building of fishermen and fish farmers are being supported through the State Governments/Implementing agencies.

The Internship programme is proposed in consonance with the objective of Ministry of Education, to create 1 Crore internships by 2025, to prepare young minds for the future.

For effective implementation of these activities in the country, a strong, motivated and professional cadre of human resources is required to be positioned at various levels to provide technical and managerial support to fishers & fish farmers and other stakeholders dependent on the sector. This is possible only when young generation get orientation/ exposure to fisheries activities during college education.

PMMSY has created opportunities for young professionals in fisheries/related sectors to work as Sagar Mitras, anchors of Matsya Seva Kendras, other activities in order to provide capacity building & extension services to the fisher's/fish farmers. Encouraging internships for students who are pursuing their graduation/ post-graduation in colleges/Universities will give them an opportunity to have hands on experience/exposure of the fisheries activities and scope for future fulltime engagement in fisheries based projects. On the other hand, the Interns shall have the opportunity to work and learn in their interested domains, make industry connections, and to develop both hard and soft skills.

2. About Internship Programme:

The Internship Programme (IP) inter-alia seeks to engage students pursuing Under Graduate / Graduate / Post Graduate Degrees or Research Scholars enrolled in recognized University/Institution within India or abroad. These 'Interns' shall be given exposure to various works/projects being carried

out by various divisions of NFDB and in turn it is expected to supplement the process of analysis within Board through empirical data collection and collation of in-house and external information. For the "Interns" the exposure to the functioning of Government Organization would be an add-on in furthering their future interests. The internship will be on paid basis, with remuneration to be based significantly on Government of India guidelines issued from time to time.

The Internship program is applicable only to Citizens of India.

3.Objectives:

1. Exposure to Technical environment which cannot be simulated in class room.
2. Exposure to current developments in the fisheries sector.
3. Experience in preparation of technical reports/evaluation of proposals.
4. Learning to apply academic knowledge in real situations.
5. Exposure Work place ethics and nuances.

4.Purpose:

1. Readily employable quality candidates for the sector.
2. Students bring new perspectives to problem solving.
3. Source of highly motivated young professionals.
4. Increased visibility to the organization in campuses.
5. Availability of flexible and cost effective work force, not requiring long term contract.

5.Internship modalities:

- Internship shall be available throughout the year based on the requirement.
- A list of domain/areas in which the Interns are proposed to be accommodated shall be primarily focused on the various activities and technologies envisaged under PMMSY and other Schemes/Projects implemented by NFDB.
- **Eligibility criteria:** Bonafide students of any recognized University/ Institution within India or abroad, fulfilling following conditions are eligible to apply for the internship:
 - Should be a citizen of India.
 - Students pursuing/completed Bachelors in Fisheries Science / Masters in Fisheries Science are eligible.

Level	Minimum percentage of marks	Required Qualification
Under-graduate students, who have in the term end exams of second year/4th semester (3 yrs course) or third year/6 th semester (4 yrs course) of the bachelor degree course.	60% or equivalent points under CGPA in 1 st year/3 rd semester of undergraduate programme.	BFSc (Pursuing)

Graduate students having completed/ appeared in the term end exams of first year/2nd semester of their post-graduate programme.	60% or equivalent points under CGPA in graduate programme.	BFSC, MFSc (Pursuing)
The students who have appeared in the final semester exam or just completed Graduation/PG (Acquired degree on or after 1 st April, 2020	60% under CGPA in their graduation/ post-graduation.	B.F.Sc, M.F.Sc

- **Period of Internship:** The period of Internship shall be at least four weeks but not exceeding three months.
- **Internship Certificate:** A certificate on successful completion of Internship shall be issued by NFDB based on the recommendation of the concerned Head of Division. **These certificates will add significant value to the students' academic progress.** Interns not completing the requisite period of internship will not be issued certificate.
- **Stipend during the Programme:**

Internship shall be offered on payment basis as paid internships are more likely to attract better candidates and reliable potential employees. Stipend shall be fixed based on the candidate's educational qualification, academic performance, interview performance and reputation of candidate's educational institution and majorly on the duration of the internship. In some case, stipend is linked with performance of the intern.

Slab	Educational eligibility	Duration of engagement	Proposed stipend per month
1	Under-graduate students pursuing 4 th semester (3 yrs course) / 6 th semester of 4 yrs course	4 weeks	Nil
2	Graduate students pursuing Post-graduation (or)	8 weeks	Rs.9000/- month
3	completed Graduation/post-graduation	12 weeks	Rs. 9,000/- month

Note:- Interns will be required to arrange own accommodation and food. No TA/DA would be paid.

- **Attendance of Interns:**

While doing internship at NFDB, the candidate should have a minimum of 80% attendance. The attendance record and the details of work supervision shall be maintained by the Heads of the Divisions.

- **Conduct:**

It may be strictly observed that the conduct of the interns and their access to data security shall be the sole responsibility of the concerned Heads of divisions only.

- **Scheme Review:**

NFDB reserves the right to review the scheme at any time. The Scheme so reviewed will be placed on the website of NFDB.

- **Relaxation:**

CE, NFDB will have the power to relax any of the conditions mentioned above, in respect of any deserving candidate.

6. Procedure for Applying:

NFDB shall issue notification to recruit interns twice in a year. Interested applicants may apply through post/e-mail to the NFDB address/mail id below within **45** days of the notification issued.

**The Chief Executive,
National Fisheries Development Board (NFDB),
