

# FMPIS Fortnightly Report

(01<sup>st</sup> – 15<sup>th</sup> June 2021)

# Fish Market Price Information System (FMPIS) - Introduction

- Launched in the year 2019, the FMPIS project was initially implemented in 82 markets covering 05 States and 01 UT for collecting the fish price information till December 2020.
- Subsequently, 195 new markets were registered during January 2021 under FMPIS covering the states of Karnataka and all NE states, totalling to 277 markets on board.
- 254 enumerators were identified against the 277 markets and identification of enumerators for remaining markets is under progress.
- For the current fortnight, culled out data of 42 markets from 09 states was analysed.
- Among the new fish markets registered, Maharashtra has been noted as an active participant in entering the fish price data.
- Due to the COVID 19 Pandemic situation, many of the markets were closed and hence the data received for this fortnight is significantly at the lower side .
