

FMPIS Fortnightly Report

(01 – 15 March 2021)

Fish Market Price Information System (FMPIS) - Introduction

- Launched in the year 2019, the FMPIS project was initially implemented in 82 markets covering 05 States and 01 UT for collecting the fish price information till December 2020.
- Subsequently, 195 new markets were registered during January 2021 under FMPIS covering the new states of Karnataka and all NE states, totalling to 277 markets on board.
- 254 enumerators were identified against the 277 markets and identification of enumerators for remaining markets is under progress.
- For the current fortnight, out of 183 markets reported from 11 states, culled out data of 95 markets was analysed.
- Among the new fish markets registered, Tamil Nadu has been noted as an active participant in entering the fish price data followed by Assam and Kerala.
