Section A: Highlights of Entrepreneur Models in Fisheries & Aquaculture under PMMSY

Pradhan Mantri Matsya Sampada Yojana (PMMSY) envisages addressing critical gaps in fish production and productivity, quality, technology, traceability, post-harvest infrastructure and management, creation of a conducive environment for private sector participation, development of entrepreneurship, promotion of ease of doing business, innovations and innovative project activities including start-ups, incubators in fisheries sector. It will further modernize and strengthen the value chain by establishing a robust fisheries management framework and will promote fishers welfare. PMMSY also aims to empower youth and women through capacity building and innovations.

Objectives of Entrepreneur Models:

- a) To attract enhanced private investment in fisheries and aquaculture sector.
- b) To enhance production, productivity and profitability across the value chain by achieving economies of scale, encouraging technology uptake and addressing value chain gaps.
- c) To foster linkages among producers, aggregators, processors and exporters for better price realization and enhanced incomes.
- d) To generate sustainable employment and livelihood opportunities, especially among youth and women in rural and semi-urban areas.
- e) To leverage the existing knowledge capital and expand into newer, untapped markets.
- f) To create an ecosystem for growth of entrepreneurship in the fisheries and aquaculture sector.

Eligible Beneficiaries

- Individual Entrepreneurs and private firms
- Fishers, Fish Farmers, Fish Workers and Fish Vendors
- Self Help Groups (SHGs)/ Fisheries Cooperatives/ Fisheries Corporations /Joint Liability Groups (JLGs)/ Fish Farmers Producer Organizations/Companies (FFPOs/Cs)

Eligibility

- a) Applicant/beneficiary having own land with clear title, free from all encumbrances. In case of leased land, applicant/beneficiary shall submit lease document for a minimum period of 10 years.
- b) Assets created either on own or lease land out of the assistance provided under entrepreneur models shall not be disposed of in any form including by way of sale, gift, transfer and lease for a period of 10 years from the date of sanction of the project.
- c) Applicant shall have necessary clearance/ permission etc from the concerned local authorities wherever applicable as per the project requirement(s).
- d) Applicant shall not have availed similar assistance/subsidy for any activity of entrepreneur model or sub-activities there under from any government scheme or government agency.

Activities of Entrepreneur Model

Various beneficiary oriented sub-components/activities of PMMSY may be integrated and packaged as entrepreneur/ business models for encouragement of entrepreneurship and innovations, and development of fisheries entrepreneurs including 'aquapreneurs'.

In general, the integration and packaging of activities into entrepreneur models is left to the beneficiary. Some of the suggested entrepreneur models are indicated below:

- (a) Development of Aquaculture:** The related activities like construction of ponds along with necessary electricity and water supply facilities, development of hatcheries for seed production & brood banks, dissemination of new species viz., Sea bass, Pompano, Cobia, Lobster, Crab fattening, integrated models for trout culture, feed mills/plant to produce fish/shrimp feed from the local ingredients, quality testing labs, cold storage/preservation facilities, pre-processing facilities, fish transport facilities, etc.
- (b) Integrated fish farm:** Infusion of technology such as establishment of Re-circulatory aquaculture System (RAS) of appropriate size and numbers, Bio-floc, aquaponics, ponds of appropriate size and area, water supply and electrification, hatcheries to produce fish seed required for RAS, feed mill, ice plant/cold storage, testing lab, fish transport facilities (insulated/refrigerated vehicles) and farm-based kiosk etc.
- (c) Thrust areas for projects with necessary backward & forward linkages:**

The following projects/activities have to be taken up as integrated models under PMMSY: (i) Cage culture (ii) Sea weed cultivation, processing & marketing (iii) Ornamental Fisheries, branding & marketing (iv) Recreational fisheries (v) Hub & spoke models in Urban areas for promotion of domestic

consumption of fish, integration with production units, hatcheries, feed mills at back end and post - harvest infrastructure such as cold chain and marketing infrastructure (vi) Leveraging the market yards in rural and semi/peri urban areas (vii) Cold water fisheries(viii) Post Harvest Infrastructure including cold chain and marketing (ix) IT applications (x) Extension Services (xi) Any other model within scope of PMMSY guidelines as appropriate.

- (d) Priority shall be given to establish “Chain of Fish Vending Kiosks” in major towns and Metropolitan cities, to encourage entrepreneurs in marketing fish & fish value added products on large scale. Interested applicants can apply with minimum number of 10 and maximum up to 20Nos, while integrating the project with transportation and storage facilities, etc.
- (e) **Proposals envisaged under NFDB-Entrepreneur Models:**
 - NFDB would undertake need based beneficiary-oriented fisheries development activities with an aim to address the priorities of the fisheries sector which are either unmet or sub-optimally/ partially met under Centrally Sponsored Schemes (CSS) of PMMSY.
 - Only technically feasible and financially viable proposals shall be considered in the preliminary scrutiny.

Funding Pattern:

Government Assistance (maximum limit)	Beneficiary contribution	Bank Loan (minimum limit)
General Category – up to 25% SC/ST/Women – up to 30%	Minimum 10% of the total project cost maximum up to 40% .	General Category – up to 65% of the total project cost SC/ST/Women – up to 60% of the total project cost

Ceiling limit of subsidy in case of General – Rs.1.25crore per project.

Ceiling limit of subsidy in case of SC/ST/ Women – Rs.1.50 crore per project.

Funds will be released in 3 instalments as back-end subsidy (20:50:30)

Role of National Fisheries Development Board (NFDB) in PMMSY:

The National Fisheries Development Board (NFDB) is an autonomous organization under the administrative control of the Department of Fisheries, Ministry of Fisheries, Animal Husbandry & Dairying, Government of India, to enhance fish production and productivity in the country and to coordinate fishery development in an integrated and holistic manner. NFDB has pivotal role in implementation of the PMMSY along with the Department of Fisheries (DoF) and is the Implementing Agency for Entrepreneur Models under Central Sector Scheme.

NFDB invites project proposals for Entrepreneur Models in Fisheries & Aquaculture under PMMSY.
